

Student Academic Success at St. Augustin Catholic School

St. Augustin Catholic School has a tradition of academic excellence. Our students score superior to the academic standards set both locally and state-wide. As evident by the graphs, the tradition of raising the bar of high academic achievement continues.

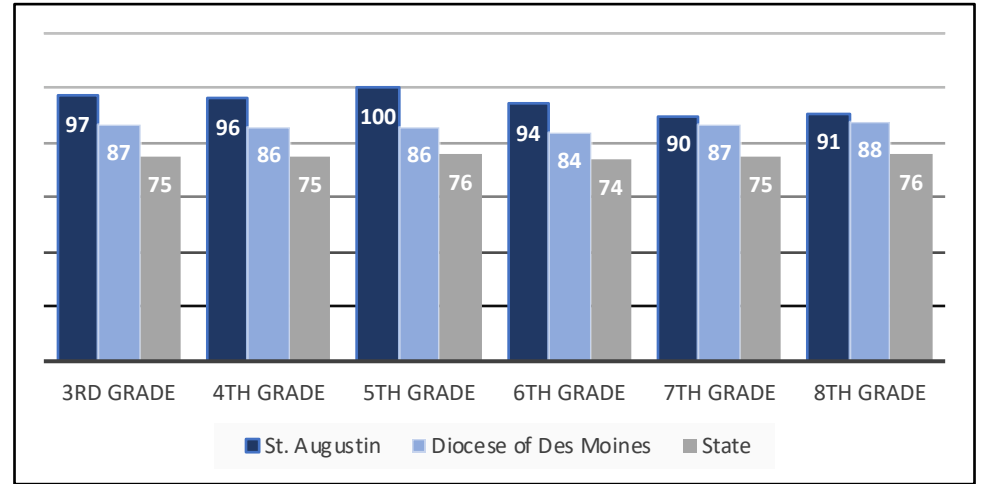

Iowa Assessments are given once a year. The graphs summarize and showcase the proficiency percentage of St. Augustin Catholic School students in comparison to students in the Diocese of Des Moines and the state of Iowa in the content areas of reading, science, and mathematics.

In addition to Iowa Assessments, St. Augustin Catholic School uses many other assessment avenues to monitor and measure academic achievement.
