

Dear Parents and Guardians,

In honor of May being Mental Health Awareness Month and First Responders Month, our fourth-grade class has partnered again with Project 10-42 for our service project. Project 10-42 is an Iowa-based organization focused on helping current and former first responders with mental health and other barriers they may face. This month, our students will focus on praying for these first responders and making cards to be delivered. We are also taking up a collection for the May 23rd Blue and Gold Day for \$1. This collection will go directly to Project 10-42 and help these brave men and women.

We are still in search of a lunchroom director, as well as a full-time PreK associate for the upcoming school year.

Ms. Kendra Rike (AM PreK/PM 5th Grade Associate) is looking for a nanny position for the summer. Please reach out to her via email if you are interested:

krike@staugustinschool.org.

We NEED boxes! The PreK - 5th grade teachers will have to pack up their classroom items and would love some boxes. :) We are so excited to have new carpet!
