FAQ's:

- How does this work? The children sing a prelude to the Mass and participate throughout the service. They also have the option of singing with the Adult choir for Christmas Caroling Night at the church on Dec. 23rd.
- Dress code for Mass. Please plan to have your children dress up in formal, yet comfortable attire.
- Do children have to stay with the choir during Mass? It is preferable that they do. However, your child can sit with you if needed.
- Do children need to know how to read? While it helps, most of the songs we sing are familiar carols. Adults and teenager helpers will also be present.
- Do children need to attend all the practices? It is not required, though it is preferable. Online resources will be posted on staugustin.org/music-ministry for children to practice at home.
- Do parents need to attend the practices? No – you are more than welcome to stay though!
- Is the Christmas Caroling required? No – but it is a wonderful opportunity for your child to experience singing with an adult choir.
