April 29, 2020

Dear Royals Founders Members,

We waited until the last possible chance to postpone our annual Royals Founders Dinner but given the latest announcement of the cancellation of the school year for the rest of the year, we feel the time has come. We want to thank those who have already given this year. Your donations are greatly appreciated.

As we reflect on this time and on how quickly and effectively our Principal and faculty adjusted to an online learning platform, it is not lost on us how vital to these efforts your generosity has been. Although last year our fundraising efforts focused on school security measures, in years past a significant percentage of your contributions were directed towards technology upgrades. Without your generosity and commitment, our school would not have been able to offer a chrome book to every family who needed one - a critical component to being able to provide online learning to ALL St. Augustin Catholic School students.

We have much to be proud of and even more to be thankful for in these uncertain times. As a school and as a parish we are fortunate to have each other and blessed that we have a generous group of St. Augustin School parents, present and past, to ensure that St. Augustin maintains the highest standard for faith-based education.

We very much look forward to our next opportunity to gather together and celebrate your generosity.

Blessings,

The Coonans and The Quinns
