October 30, 2020

Dear St. Augustin Families,

We have great news to share about school meals!

The USDA recently extended a nationwide waiver allowing school districts to provide meals free of charge to all students under the Summer Food Service Program (SFSP).

St. Augustin Catholic School has elected to use this waiver and starting Monday, November 2, 2020, **lunch for ALL interested students will be provided free of charge**. Free meals will be available through the last full day of school, May 27, 2021.

You do not need to be eligible for Free & Reduced meals to participate.

Important Notes:

- Free lunch for ALL interested students will begin, Monday, November 2, 2020.
- Milk with a home lunch or extra milk does not qualify as free under this program and will be charged to the student's lunch account.
- Ala Carte items will continue to be charged to the student's lunch account
- Students will continue to sign-up for hot lunch in their classrooms each morning.

Any questions, please reach out to the front office.

Thank you,

Mrs. Kristel Spike

Principal

Mrs. Pam Moore

Food Service Director
