

The St. Augustin Home & School Association welcomes all families, friends, parishioners, and alumni to join us for the annual school fundraiser!

Save the date for: **Saturday, November 20th at The Wakonda Club, Des Moines.**

Tickets are \$50 per person and include drinks, appetizers and dancing!

This year's theme is *A Night in the Tropics*.

### **Why does the school need a fundraiser?**

The Home & School Association uses all donated proceeds to directly support St. Augustin School. We support student enrichment programs, such as ALEKS and D.A.R.E. We support our teachers and staff with reimbursements for classroom supplies, provide a special Christmas bonus, and celebrate our teachers with teacher appreciation events throughout the year. We help the school operate efficiently by paying for school messenger and school bookings programs. Lastly, when the fundraiser is successful in raising funds above and beyond the goal, we can fund special requests from Principal Spike and teachers. Our fundraising goal this year is **\$50,000**.
