

Dear St. Augustin Families–

I wanted to let you know that Home & School has proposed that we shut down the Scrip program at the end of this month, and the proposal was unanimously approved by the Finance Committee at their May meeting.

Scrip has had a great run! Unfortunately, it is no longer practical or sustainable for St. Augustin to participate. Home & School has reached a point where the diminishing revenue generated by this program each year no longer justifies the substantial Finance Committee oversight responsibilities or the administrative volunteer hours required to run the program.

Later in June I will be mailing checks to the families that earned at least \$10 in family rebates this past Scrip year 6/1/2019-5/31/2020 and then we will begin to close the program up. We will keep your Shop with Scrip online accounts active until our annual subscription with Great Lakes Scrip ends in November, so you will still have access to your saved e-cards in your wallet and account through then, but no new rebates will be earned by families after 5/31/20.

Thank you so much for supporting the program - it has been wonderful that it could subsidize tuition for so many St. Augustin students over the years! I have truly enjoyed being a part of it. Let me know if you have any questions.

All the best and thank you again for your support,
Amanda Fletcher
Scrip Coordinator
