

SUMMER MOWING INTERIOR/EXTERIOR PAINTING

Dear St. Augustin parents and families,

I would appreciate the opportunity to do some yard work or painting jobs for you this summer. I have many years of experience doing this type of work. I am able to do any mowing, hedge trimming, or sidewalk edging jobs for you. I can also complete interior and exterior painting projects or stain your deck. If you or anyone you know might be interested, please give me a call! I would love to help you! My cell phone number is (515)664-0640. I am able to do these jobs throughout the summer or just as a one-time service if you need some help. Thanks, and have a great summer, everyone! ☺
