

Hello Parents,

My coaching staff and I are putting together a Maroon Girls Soccer Academy this fall/winter. Our hope for this is to build the future of our girls soccer program. The basics for the program will be for middle schoolers to have the opportunity to work with the high school coaches on technical development, individual skills ,and an overall introduction to the high school program. We want these young women to be excited to come and play for the Dowling Catholic Maroons!!

Coach JP Pearson has provided my daughter, Julia, with outstanding coaching this past year. His impact has greatly contributed to her growth and success in the sport. Coach JP has built incredible relationships with Julia and her teammates, as he creates a positive environment while motivating his players to reach their full potential. His dedication to each practice and game is inspiring. JP goes above and beyond to support his players outside of the sport as well. My daughter has flourished both as an athlete and team player under his guidance. She would follow him anywhere to get the opportunity to be coached and play for him!

Sincerely,

Abby Teigland

Over the past year Lulu has been fortunate to get what I'd say top notch training from JP.

Lulu has improved on her non-dominant foot , her passing , shooting, endurance and overall love for the game by having JP as her Coach and Private trainer.

Over the past couple of years coach JP has helped me improve my soccer skills tremendously. I first met coach JP while training in a soccer clinic that focused on improving ball handling and foot skills. I enjoyed working with him and was overjoyed when I found out that he would eventually become my new club soccer coach!

Having JP as our coach made a huge difference for our club select team. He taught us how to improve our skills both individually and as a team. JP also takes time to listen to player feedback and take our opinions into account. When JP was our coach we felt like winners because the team began performing as a cohesive team and as a result won tournaments and games. Not only did we become better players but we also became better teammates!

Coach JP also gave me the chance to develop as a leader by naming me one the team captains. I look forward to playing for coach JP once again this spring when I join the Dowling Catholic High School girls soccer team.
