# Summer Swim Lessons

## Group and Private Lessons

The Riptide Group Swimming Lessons are designed to give families an affordable way to teach kids water safety and basic swimming lessons. All lessons are taught with a method of cooperative learning, not fear or force. We will work to build skills and confidence in the water in an environment where swimmers feel safe and welcome.

Large groups and daycare providers are invited to contact us about opportunities for lessons. We can accommodate up to 30 youth in one time slot. Once individual registration opens, we may not be able to accommodate large groups.
